INTERMITTENT CLOSURES ON PCH NEAR TOPANGA

LOS ANGELES – Pacific Coast Highway (Route 1) will be subject to intermittent closures in both directions from Topanga Canyon Boulevard to Coastline Drive between 5:30 a.m. and 7 a.m. Saturday, July 9.

Approximately three-to four closures will be required, each lasting no longer than five minutes at a time. The California Highway Patrol (CHP) will be on-site to provide traffic breaks.

The closures are in relation to a slide removal and slope stabilization project that began on March 9, 2005 and will complete in September.
